

DALE L. HANEY,

AIA VICE PRESIDENT, MOTT MACDONALD. BACHELOR OF ARCHITECTURE WITH HONORS - PRATT INSTITUTE.

Mr. Haney, Vice President and Senior Project Manager, brings nearly 30 years of experience in design, construction consulting, engineering coordination, and project management across healthcare, institutional, commercial, higher education, and luxury residential sectors. His work includes projects for the Veterans Administration and the Military, as well as renovations, historic preservation, adaptive reuse, and large-scale constructions up to \$30 million. Skilled in programming, space planning, and FF&E, he excels at managing multiple projects and collaborating with clients, end users, and facility managers to ensure successful outcomes.
