

Senior Project Manager

Neuvio Architects, an award-winning Fort Lauderdale architecture and interior design firm seeks an experienced Senior Project Manager to become part of our design team for commercial, retail store, hospitality and corporate interior projects.

Responsibilities span all project phases from proposals and contract execution through construction administration, always including a focus on client satisfaction, budget, schedule and quality of deliverables.

Qualifications include:

- Minimum 10 years experience working in commercial architecture firm;
- Minimum 5 years continuous experience as a project manager;
- Proven capacity for leadership and for directing a team;
- Thorough knowledge of project type by experience, including all technical/production knowledge required;
- Highly organized work methods, ability to perform well under time pressure, orientation to details and task completion;
- Knowledge of REVIT, SketchUp, Bluebeam, TEAMS applications;
- Interest in client advocacy and service excellence;
- Orientation towards design excellence.

Neuvio Architects is located in the heart of Fort Lauderdale, just steps away from downtown and Las Olas Blvd. We encourage creativity, continued education and professional growth. We are looking for a resourceful and resilient team player with a good sense of humor, an interest in collaboration and great project know-how.

Salary is commensurate with experience; **excellent benefits**.
